Total Number of Establishments are those existing on the Register of Establishment for the years indicated. Please note that firms are not obligated to inform the CSO when operations have commenced or ceased and thus these totals do not reflect all the establishments operating in the economy. Data sources used are mainly secondary and the database is updated daily with information received from these sources.

Non operational firms were removed from the Register in 2006 after an update exercise was done from June to August 2006.
